First of all I would like to tell you that Cheryl and I are so excited to come and serve the Oak Grove Family. God has taken us on an incredible journey. He has placed us right where He desires for us to be. As I look back on my life, I put each piece so neatly into place, I'm in awe of His handy work. God's plan and most of the time, we will never know the great things in store until we surrender. He takes us to a place of total dependency on Him before we are ready and able. Today, take a look at your journey. Who's the one in control? If it's not you, take some time and seek Him. Surrender control, (which is usually not in our hands) to the wheel and direct your path. He has an incredible life for you and desires to do more than you thought possible. Proverbs 3:5-6 tells us; "Trust in the Lord with all your heart and standing, in all your ways acknowledge Him, and He will direct your path."

I also know the history of Oak Grove Baptist Church is rich and full of numerous lives that have been touched for Christ and the awesome imprint of His love and around the world. With all that rich heritage, I still believe the future is bright and are right in front of us because the "harvest is plentiful" and people are hungry for the Word.

It's time for the believers in this family to rise up and "fix what is broken" and perfecter of our faith." And when we do that, and seek Him with all our hearts, He will be in control; we need to get ready for the most amazing ride of our lives! There are great things in store for us as we surrender our individual lives to Him and grow more as a family.

Worship and Administration

What a wonderful time of worship we experienced on May 17th as our worship ministries combined in our Spring Concert during the morning worship service. An outstanding job was done by all of our music and technical teams.

Thank you all for such a spirit-filled, meaningful time of praise and proclamation.

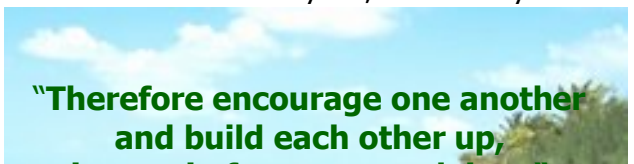

Attention! Handbell Ringers needed for the fall. If you might have some interest in ringing handbells, please contact Will at the church office or e-mail at will@ogbconline.net. Some music reading experience is suggested.

Bible Study & Discipleship

Last month in Sunday School we talked about Barnabas, the encourager. I would like to take an opportunity to be an encourager to you this month! Often, Sunday School is the place where we can find and give so much encouragement. As summer and family vacations begin, sometimes we all need to be encouraged to stay in the Word and to remain committed to being faithful to the Lord and to His church. Don't miss out on your opportunity this month to be a Barnabas to someone else through your words, service and commitment!
